Certificate of Liability Insurance Requests

(Read Carefully)

The synodical women's organization (SWO) is eligible for liability insurance coverage under the ELCA's insurance policy at no cost to the SWO.

It is best practice to request coverage for *every* event sponsored by the SWO, including board meetings, cluster or conference gatherings, SWO conventions, and retreats, no matter where they are held.

Certificates of Liability Insurance provide proof that the SWO has liability insurance for its event. Event planners should always offer to supply a Certificate of Liability Insurance to venue managers (e.g., the office manager of the retreat house or congregation).

To request a Certificate of Liability Insurance, please complete the fillable PDF form, save and print your work, and email the completed form at least **two weeks** before your event to:

Shahina Kanwal, Insurance
Women of the ELCA
8765 W. Higgins Road
Chicago, IL 60631
women.elca@elca.org

Once the form is received, it will be reviewed and forwarded to the ELCA's insurance broker. The ELCA's broker will email a Certificate of Liability Insurance to the venue manager (the certificate holder) and to the SWO contact person. There is no additional reporting necessary.

Liability insurance, also known as commercial general liability insurance, provides for indemnity or compensation for a harm or wrong to a third party for which the insured (i.e., the SWO) is legally obligated to pay due to negligence.

The certificate will be emailed to the address highlighted in **red** on the request form.

Revised 8/2019
